WARNINGS Read Before Using Your Sega Dreamcast Video Game System

CAUTION
Anyone who uses the Dreamcast should read the operating manual for the software and console before operating them. A responsible adult should read these manuals together with any minors who will use the Dreamcast before the minor uses it.

HEALTH AND EPILEPSY WARNING
Some small number of people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns that they encounter everyday life, such as those in certain television images or video games. These seizures or loss of consciousness may occur even if the person has never had an epileptic seizure.
If you or anyone in your family has ever had symptoms related to epilepsy when exposed to flashing lights, consult your doctor prior to using Sega Dreamcast.
In all cases, parents should monitor the use of video games by their children. If any player experiences dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsion, IMMEDIATELY DISCONTINUE USE AND CONSULT YOUR DOCTOR BEFORE RESUMING PLAY.

OPERATING PRECAUTIONS
To prevent personal injury, property damage or malfunction:
• Before removing disc, be sure it has stopped spinning.
• The Sega Dreamcast GD-ROM disc is intended for use exclusively on the Sega Dreamcast video game system. Do not use this disc in anything other than a Dreamcast console, especially not in a CD player.
• Do not allow fingerprints or dirt on either side of the disc.
• Avoid bending the disc. Do not touch, smudge or scratch its surface.
• Do not modify or enlarge the center hole of the disc or use a disc that is cracked, modified or repaired with adhesive tape.
• Do not write on or apply anything to either side of the disc.
• Store the disc in its original case and do not expose it to high temperature and humidity.
• Do not leave the disc in direct sunlight or near a radiator or other source of heat.
• Use lens cleaner and a soft dry cloth to clean disc, wiping gently from the center to the edge. Never use chemicals such as benzene and paint thinner to clean disc.

PROJECTION TELEVISION WARNING
Still pictures or images may cause permanent picture tube damage or mark the phosphor of the CRT. Avoid repeated or extended use of video games on large-screen projection televisions.

SEGMA DREAMCAST VIDEO GAME USE
This GD-ROM can only be used with the Sega Dreamcast video game system. Do not attempt to play this GD-ROM on any other CD player; doing so may damage the headphones and/or speakers. This game is licensed for home play on the Sega Dreamcast video game system only. Unauthorized copying, reproduction, rental, public performance of this game is a violation of applicable laws. The characters and events portrayed in this game are purely fictional. Any similarity to other persons, living or dead, is purely coincidental.

Thank you for purchasing Virtua Tennis! Please note that this software is designed only for use with the Dreamcast console. Be sure to read this instruction manual thoroughly before you start playing Virtua Tennis.

Virtua Tennis is a one to four player game. Connect either Dreamcast Controllers or Arcade Sticks to the Control Ports, starting with Port A. Connect in order: A, B, C, D, according to the number of players.

To return to the Title Screen at any point during the game, simultaneously press and hold the ©, 0, ©, © and the Start Buttons.

Do not touch the Analog Thumb Pad, or the Triggers while turning the Dreamcast power ON. Doing so may disrupt the controller initialization procedure and result in malfunction.

Refer to the following chart for a summary of the game controls.

The © Button on the Arcade Stick has the same functions as the 19/El Triggers on the Dreamcast Controller.

The controls described in this instruction manual refer to the functions of the Controller.

Make sure that you insert the Jump Pack (sold separately) into Expansion Socket 2 of the controller.
**CONTROLS**

**Serving**
Press the ©/©/© Button to make your character toss the ball up into the air. This will display the Serve Gauge. The higher the gauge, the faster your serve will be. Press the ©/©/© Button in conjunction with the D-Pad/Analog Thumb Pad to serve.

© Button: Flat serve
€>/© Button: Serve

**Ball Direction**
Move your character towards the ball and press the © Button to hit the ball back towards your opponent. Move the D-Pad/Analog Thumb Pad while the © Button is pressed and before you hit the ball to aim it in a certain direction. Your options aren't only limited to aiming the ball left or right. Press # or ^ to aim the ball towards the rear of the court or close to the net for a drop shot.

**Shot Strength**
You will be able to perform a hard, fast return shot if you move quickly towards the ball and have time to prepare your shot. In contrast, you will perform a weak shot if your character has to lunge to reach the ball.

**Smashing**
Position your character beneath a high ball and press the © Button to perform a smash. Press the D-Pad/Analog Thumb Pad to control the direction of the shot in the same way as you would with a normal shot.

**Main Menu**

Once the Title Screen appears, press the Start Button to display the Main Menu. There are 4 modes to choose from on the Main Menu. Press the D-Pad #/ and press the © Button to select which mode you want to play!

**ARCADE**

**Wear Selection**
Press the D-Pad to select the tennis wear that you'd like your character to play in, then press the button to enter. You can only do this once you have purchased tennis wear at a tennis shop in the WORLD CIRCUIT.

**COM partner strength (Only in a Doubles Match)**
Select from one of 3 levels: NORMAL, STRONG, VERY STRONG. After you have selected your COM partner, press the D-Pad to select your COM partner's strength.

**Stage Selection**
Select the stage that you want to play in. At first, you can not play in stages with a "??" mark. However, you can play these stages by purchasing them at a shop in the WORLD CIRCUIT.

**Exhibition Mode Pause Menu**
Press the Start Button during game play to display the Pause Menu. You can select from "Continue" "Rule Settings" and "Main Menu." Select "Rule Settings" to exit the game and return to the Rule Settings Screen.
WORLD CIRCUIT MODE
1 Player

Tour the world in this mode taking part in Trial Matches, earning money and buying items. You can also sharpen your techniques in the Training stages. The number and difficulty of Trial Matches and Training stages will increase as the game progresses. Note: The only way to succeed in the World Circuit is to play both the Trial Matches and the Training stages in equal numbers. Do you have what it takes to be No. 1 in the world.

New Game/Continue
Select “NEW GAME” to start a new game, or “CONTINUE” to continue a previously saved game. Save files containing tennis wear, stages, and players purchased through World Circuit will not be deleted when writing over previously saved data.

World Map
Press the D-Pad to select a location that you’d like to go to, then press the © Button to enter your selection. You can choose from “TRIAL MATCH,” “TRAINING” and “SHOP.” The icons of completed stages will darken.

Trial Matches
Take part in tournaments around the world and earn prize money. Every Trial Match has a certain “Trial Shot” for you to attempt. You will win a lot more prize money by winning points using Trial Shots. You should not just aim to win, but try to play using as many Trial Shots as possible to win the maximum amount of prize money. Match rules vary from tournament to tournament. There are initially eight stages for you to complete...

Doubles Trial
You must have a partner to take part in a Doubles Trial match. You can make a contract with a doubles partner at a shop.

Training
You will be able to work on your tennis techniques in these training games. As you progress through the game, the difficulty level will increase.

The eight Training stages are:
- CANNON BALL: Hit all of the balls using yellow balls! A machine will start up again if you are hit by a red ball!
- SMASH BOX: Knock the boxes off the court with a smash!
- DRUM SHOOTER: Lob to hit a ball into every drum can!
- PIN CRASHER: Just like bowling, serve to knock down the pins!
- BULL’S EYE: Aim for the target using the balls that the coach hits to you!
- RETURN ACE: Return the coach’s serves to hit all of the targets!
- BIG WALL: Hit the balls to turn over all of the panels!
- GIANT BALL: Use strong shots to push the giant rolling balls beyond the baseline!

You can return to the World Circuit Screen at any time by pressing the Start Button and selecting “World Map.”
Purchased Apparel
Buy tennis wear at a shop, and you will be able to select it at the Character Selection Screen before playing in either ARCADE or EXHIBITION modes. After selecting the character that you wish to use, press the D-Pad to select tennis wear and press the Button to enter.

Options
You can change all the game settings.

Game Difficulty: Adjust the difficulty level of the ARCADE Mode.
Game Count: Adjust the number of games to win a match in ARCADE Mode.
Deuce: Play the ARCADE Mode with or without the deuce rule.
Rankings: View the ARCADE MODE singles and doubles rankings.
Audio: Set the preferred sound output to either MONO or STEREO.
Music Test: Listen to the background music.
BGM Volume: Adjust the volume setting for the background music.
SE Volume: Adjust the volume setting for the sound effects.
Vibration: Switch the Jump Pack ON or OFF.

Status Screen
Press the Start Button at the World Map to display the Status Screen.
You can check your current results and change your character’s tennis wear here.
To quit the World Circuit, select “GAME END” and you will return to the Main Menu.

Select “Exit” to return to the Main Menu.
